2016 NEW YEAR MESSAGE

The leadership of the Men’s Department, Baptist World Alliance are delighted for the conclusion of a successful year 2015. God saw us through a transition period of exchange of baton between our immediate past leadership and the new and current leadership into the 2015 to 2020 quinquennium. It is the dawn of a new day.

Faithful is our God. As we enter into year 2016, the focus of the Men’s Department will be “Jesus Christ the Door: Discerning the Way” John 14:6. The year 2016 will herald for us, Jesus Himself, God The Son, opening the door for men to have direct access to God, The Father. This certainly will be a year of breaking new grounds with passion for The Lord. He has sufficiently empowered His Men for the tasks ahead, yet He will motivate and encourage all Baptist Men everywhere under the globe to rise up for Him and do the work of Ministry.

2016 is the year for Men to arise to occupy for Jesus Christ. Men everywhere MUST impact their community for Christ. Men are to receive fresh life and unction for performance and effectiveness from above. This shall be a fruitful year with purpose and results. Let us join hands together to move the cause of the Men’s Department forward. God is your rewarder.

We wish you a glorious and productive 2016 in advance.

Ayoola Badejo
President
