Monday
Wise People Seek Jesus Today

“Where is the baby who was born to be the king of the Jews?” (Matthew 2:2a NCV)

The shepherds demonstrated a rear character that does not seem to fit the bam. Though there are popularly referred to as three wise shepherds, I consul absolutely and also submit with our any fear of contradiction, that, they were very WISE. But to me, they’re the most fascinating people in the Christmas story. We don’t know much about them. We don’t know who they are or where they are from. But we know they were wise. In fact, we can learn a lot from the wisdom they display in the Christmas story.

Among other lessons, we learn to be a) Seekers of the truth - Wise people aren’t happy with guesses or speculation. They want to know the truth about God, their past, and their future. b) Wise Men seek Jesus. Wise men and women still seek Him today. There are two kinds of people in life when it comes to truth: speculators and seekers. Seekers are like the Berean Christians in the Book of Acts. Be a seeker today.

Tuesday
Spiritual Harassment

"Your enemy the devil prowls around like a roaring lion looking for someone to devour" (1 Peter 5:8-9).

The Devil is a pretender and an impostor. His secrets are clearly revealed in Scripture for the discerning eyes. He pretends to be a lion, whereas the Bibles says, he is a pretender and will also demonstrate a make-believe. That means that, if you know your position as a child of God, you can call his bluff and carry on with life.

Make no mistake about this, Devil is very powerful. But the truth is that his powers is no match for the powers of the Lord. If Jesus be for you, then even the devil will know his limits. Remember, Satan had to seek permission from God even before he could afflict Job. The assurance here is that God is very much in control of your life, so be at peace against all spiritual harassment.
Wednesday
Write It Down

“The LORD gave me this answer: ‘Write down clearly on tablets what I reveal to you, so that it can be read at a glance.’” (Habakkuk 2:2 TEV)

What is a vision? Vision is seeing the end from the beginning. This suggests that God will show you where He is taking you to form the very beginning. One thing a visioneer does is to “write down clearly.” God can use any situation and circumstance to give you a vision. You have to be ready to receive it.

What vision are you currently pursuing today? Is it a God-given vision or are you just getting along as being tossed by every wind of doctrine? You may need to seek a clear vision from God. Believe it and it shall come to pass.

Thursday
Are You Running on Empty?

' I will pour out water to quench your thirst...' Isaiah 44:3

When a manufacturer comes out with a latest technology, he will usually include a user’s manual. The purpose of the user’s manual if to help the user enjoy to the fullest, the benefits of the product. It gives hints a sot how to and when to, the most components of the product. Without a User’s manual, the many uses and limitations of the product my never be realised.

God has placed a lot of demands on His people. In a bit to carrying out this assignments, tiredness and frustration may set in. There is nothing to fear. I the above Scripture, God promises to give you water to quench your thirst. What else will a man desire than this? When it appears you are running on empty, be assured that God will appear.

Friday
Open Your Eyes to God’s Vision

“Open my eyes, so that I may see the wonderful truths in your law.” (Psalm 119:18 TEV)

Understanding God can always be a challenge to the average believer. The reasons may not be far fetched really. God’s ways are not man’s ways. God does not see as man sees. Therein then lies the main issues. However, God has revealed Himself and His ways in His book - The Bible. Many believers are too lazy to ‘detect’ who God is in His word.
God says, ask, seek and knock. God is also willing to open the eyes of the seeker in order to find God. What are the circumstance that are putting you on a spot right now. The solution could be in your quiet time. After you’ve read the Bible and prayed, you could ask, “God, is there anything I need to know that I’m not thinking about?” And then you wait. Second, look into God’s Word to see what God might want to say to you.

Saturday
The Finger of God

*When the Lord finished speaking to Moses on Mount Sinai, He gave him the two tablets of the Testimony, the tablets of stone inscribed by the finger of God.* - Exodus 31:18

The Ark of the Covenant contained the Ten Commandments, written and inscribed personally by God and given to Moses on Mount Sinai. These became known as the testimony. The ark was a divinely inspired structure that was to be used as a witness to the people of Israel and the whole world of God’s power and majesty. These divinely created tablets were a witness of God's activity on earth with man.

God wants to create a testimony in every aspect of your life - your family, your work, your church, and in your community. He is waiting to put His finger on your next endeavour to reveal His power through your life. Look carefully at the events where God might want to create a testimony out of an impossible situation. He delights in using His children for this purpose because it brings Him glory. Remember to proclaim Him thereafter.

Sunday
God Is Faithfulness

"*Pour out your heart like water in the presence of the Lord*" (Lamentations 2:19).

One of the regular feature of living is experiencing issues and challenges in every facet of life. I believe it is very nature of human experience to go through such times. It is said that there are 365 “fear not” in the Bible, meaning there is one for each day. We should remind ourselves, that, in spite of whatever is brewing, God is still there.

Today, if you are at the point of despair, do what Jeremiah did and pour out your heart to God. And then call to your mind the fact that GREAT is God's faithfulness. He has not abandoned you and He loves you. Don’t allow Satan to deceive you to think anything else. God will be faithful in your life as He has always been. He is still very in that business of helping His children.
